
Killian School Jog-a-thon

Friday, March 18, 2011

Dear Parents,

Killian is going to have a Jog-a-thon on Friday, March 18th to raise money for field trips, assemblies and other student activities. The Jog-a-thon is an important way for Killian to support the extra programs at school that enhance student learning and make your child's education special. Because of the current California budget crisis, Killian School is especially in need of extra finances. Your help and support of the Jog-a-thon will benefit your child and the school. The Jog-a-thon is an easy way to help our school and have fun at the same time.
